

MEAL SPONSORSHIP OPPORTUNITIES

Pine Street Inn prepares 8,900 meals each week, 52 weeks a year.

We depend on the support and generosity of our partners in the community to provide nutritious meals to the guests in our shelters.

Your meal sponsorship not only ensures vital nutrition, but also provides an opportunity to engage with the community through service opportunities, along with signage and social media promotion. Our team will work with you to ensure maximum exposure from your sponsorship.
